INDEPENDENT AUDITORS' REPORT

To the Member(s) of Chhattisgarh Mega Steel Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of M/s. **Chhattisgarh Mega Steel Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including other comprehensive income), for the year then ended and a summary of significant accounting policies and other explanatory information, (herein referred to as "the Standalone Ind AS Financial Statements").

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, state of affairs (financial performance including other comprehensive income), cash flow and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the standalone Ind AS financial statements.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and reasonableness of the accounting estimates made by the Company's Management, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the afore standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Ind AS, of the state of Affairs (financial position) of the Company as at 31st March, 2018 and its loss (financial performance including other comprehensive income) for the year ended on that date;

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid standalone Ind AS financial statements;
 - (b) In our opinion proper books of accounts as required by law relating to the aforesaid standalone Ind AS financial statements have been kept by the Company so far as appears from our examination of those books and proper returns adequate for the purpose of our audit;
 - (c) The Balance Sheet, the Statement of Profit and loss, and Cash Flow Statement and Statement of changes in Equity dealt with by this Report are in agreement with the books of accounts maintained for the purpose of preparation of the standalone Ind AS financial statements;
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder;
 - (e) In terms of Notification No GSR 46S(E) dated June 5, 2015 issued by Ministry of Corporate Affairs, Government of India, the sub section (2) of section 164 of the Companies Act 2013, are not applicable to the company.
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) There are no pending litigations impacting financial position of the Company as on 31st March ,2018.
 - ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. As required by section 143(5) of the Act, we give in Annexure - C, a statement on the directions issued by the Comptroller and Auditor General of India.

Annexure 'B' to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Chhattisgarh Mega Steel Limited** ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management of the Company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Chhattisgarh Mega Steel Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2018

1. Corporate and General Information

Chhattisgarh Mega Steel Limited ("the Company") is a subsidiary of Steel Authority of India Limited (SAIL). The Company is domiciled in India, incorporated in Chhattisgarh, India in 2015 under the provisions of Companies Act, 2013. The Company has not commenced business activities as yet. The registered office of the Company is situated at Ispat Bhawan Bhilai, Sector -1, Bhilai Durg, Chhattisgarh – 490-001, India.

These financial statements were approved by the Board of Directors of the Company in their meeting held on 22nd May 2018.

2. Basis of preparation

2.1. Statement of Compliance

The financial statements of the Company have been prepared on accrual basis of accounting in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of Companies Act, 2013, as notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and other accounting principles generally accepted in India. The Company has uniformly applied the accounting policies during the periods presented.

2.2. Basis of Measurement

The financial statements are prepared on a historical cost basis.

2.3. Functional and Presentation Currency

The Financial Statements have been presented in Indian Rupees (₹), which is the Company's functional currency. All financial information presented in ₹ have been rounded off to the nearest rupee unless otherwise stated.

2.4 Use of Estimates and Management Judgement

In preparing the financial statements in conformity with Company's accounting policies, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements, the amounts of revenue and expenses during the reported period and notes to the financial statements. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined.

3. Significant accounting policies

3.1 Financial instruments

Recognition, initial measurement and de-recognition

Financial assets and financial liabilities are recognised and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss which are measured initially at fair value.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognized when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

- Amortised cost

Chhattisgarh Mega Steel Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2018

- financial assets at fair value through profit or loss (FVTPL)
- financial assets at fair value through other comprehensive income (FVOCI)

All financial assets except for those at FVTPL will be subject to review for impairment at least at each reporting date.

Amortised cost

A financial asset shall be measured at amortised cost using effective interest rates if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments.

3.2 Equity and Reserves

Share Capital represents the nominal value of shares that have been issued. Securities premium includes any premium received on issue of Share Capital. Any transaction costs associated with the issuing of shares are deducted from Securities premium account, net of any related income tax benefits.

Other components of equity include retained earnings include all current and prior period retained profits.

3.3 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into cash and subject to an insignificant risk of changes in value.

3.4 Provisions, contingent liabilities and contingent assets

Provisions and Contingent Liabilities:

A Provision is recognised when the Company has present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are discounted to their present value, where the time value of money is material.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as a separate asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Financial Statements.

In cases where the possible outflow of economic resources as a result of present obligation is considered improbable or remote, no Provision is recognised or disclosure is made.

Chhattisgarh Mega Steel Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2018

Contingent assets:

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognised though are disclosed, where an inflow of economic benefits is probable.

3.5 Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income (OCI) or directly in equity.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act. Current income tax relating to items recognised outside statement of profit and loss is recognised either in OCI or in equity.

Deferred income taxes are calculated using the liability method. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits (MAT Credit entitlement) or deductible temporary difference will be utilised against future taxable income. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised either in OCI or in equity.

3.6 Significant judgement and estimates in applying Accounting policy

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

Provision and contingencies – The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

12 Capital management

The Company's capital management objectives are

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet. Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

Particulars	31 March 2018	31 March 2017

(ii) Dividends not recognised at the end of the reporting period	-	-

Derivative financial instruments

Credit risk related to derivative financial instruments is also managed by only entering into such arrangement with highly rated banks or financial institutions as counterparties. The company diversifies its holdings with multiple counterparties.

Trade receivables

Credit risk related to trade receivables are mitigated by taking bank guarantees from customers where credit risk is high. The Company closely monitors the credit-worthiness of the debtors and only sells goods to credit-worthy parties. The company's internal systems are configured to define credit limits of customers, thereby limiting the credit risk to pre-calculated amounts.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes loans and advances to employees and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

b) Expected credit losses

Company provides expected credit losses based on the following

Loans advances and other than trade receivables

Company provides for expected credit losses on "loans advances and other than trade receivables" by assessing individual financial instruments for expectation of any credit losses. Since this category includes loans and receivables of varied natures and purpose, there is no trend that the company can draw to apply for such financial assets. The company provides for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant consistently to entire population increase in credit risk.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity Companyings based on their contractual maturities for all non-derivative. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant

CHHATTISGARH MEGA STEEL LIMITED

11 Financial risk management

i) Financial instruments by category

For amortised cost instruments, carrying value represents the best estimate of fair value.

Particulars	31 March 2018		31 March 2017	
	FVTPL	Amortised cost*	FVTPL	Amortised cost*
Financial assets				
Cash and cash equivalents	-	3,24,152	-	4,16,365
Total	-	3,24,152	-	4,16,365
Financial liabilities				
Other financial liabilities	-	29,500	-	28,750
Total	-	29,500.00	-	28,750

*All financial assets/liabilities stated above are measured at amortised cost and their respective carrying values are not considered to be materially different from their fair values.

Risk Management

ii)

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Aging analysis	Bank deposits, diversification of asset base, credit limits and collateral.
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting	Forward contract/hedging
Market risk - interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Cross currency fix rate swaps
Market risk - security price	Investments in equity securities	Sensitivity analysis	Portfolio diversification

The Company's risk management is carried out by a central treasury department (of the Company) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk and investment of excess liquidity.

A) Credit risk

The finance function of the company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- A: Secured
- B: Unsecured
- C: Partly Secured
- D: Doubtful

The company continuously monitors defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. Where available at reasonable cost, external credit ratings and/or reports on customers and other counterparties are obtained and used. The company's policy is to deal only with creditworthy counterparties.

a) Credit risk management

Cash and cash equivalent

Credit risk related to cash and cash equivalents is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.
