- We have audited the accompanying standalone annual financial results ('the Statement') of Steel Authority of India Limited ('the Company') for the year ended 31 March 2024, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations'), including SEBI Circular SEBI/HO/DDHS/P/CIR/2021/613 dated 10 August 2021 (as amended).
- In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the branch auditors as referred to in paragraph 15 below, the Statement:
 - presents financial results in accordance with the requirements of Regulation 33 and Regulation 52 read with Regulation 63 of the Listing Regulations, except for the effects of the matters described in paragraph 3 below; and
 - gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India, of the standalone net profit after tax and other comprehensive income and other financial information of the Company for the year ended 31 March 2024 except for the effects of the matters described in paragraph 3 below.

- (a) As referred to in note 7 to the accompanying statement, the constitutional validity of the Entry Tax Act has been upheld by the Hon'ble Supreme Court and the matters relating to levy of entry tax are now pending before regular benches of the Supreme Court/Jurisdictional High Courts/ assigned authorities. Pending decision by the aforesaid courts, the management is of the view that no adjustment is required in the accompanying statement of the Company for the disputed entry tax demand in various states amounting to ₹ 724.02 crore (net of ₹ 137.72 crores recognised as a liability basis ongoing settlement proceedings as explained in the said note) as on 31 March 2024. However, in the absence of sufficient appropriate evidence to support management's view, we are of the opinion that a provision for entry tax liability should be recognized in the statement.

(b) As referred in note 8 to the accompanying statement, current assets include advance of ₹ 587.72 crore paid under protest to Damodar Valley Corporation against the bills raised for supply of power for the period 2010-11 to 2016-17. The matter is under litigation and currently pending before Jharkhand State Electricity Regulatory Commission (JSERC) for finalization of tariff. The management is of the view that the amount is fully recoverable and thus no adjustment is required in the accompanying statement. However, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are of the opinion that an allowance for possible non-recoverability of such advance should be created in the statement.

6. The inventory of sub-grade iron ore fines generated at the captive mines of the Company were not assigned any value in the books of accounts of the Company till the financial year ended 31st March 2019, since, the Government of India Notification dated 19th September 2012 prohibited all captive miners from selling such sub-grade fines.

Following the Government of India Order no.F.No.16/30/2019-M.VI dated 16th September 2019 allowing sale of sub-grade iron ore fines, the inventories of sub-grade fines held by the Company gained economic value. In this regard, the Company also obtained opinions from the Additional Solicitor General of India as well as the Expert Advisory Committee (EAC) of Institute of Chartered Accountants of India (ICAI). Based on the aforesaid opinions, the Company recognized these inventories as by-product inventory as at 31st March 2020. Since, these inventories were generated over many years, hence, making it impracticable to ascertain the actual valuation, the Company assigned a valuation to such inventories basis average selling

price of similar sub-grade fines over the last 36 months as declared by Indian Bureau of Mines (IBM), a Government of India organisation and as adjusted for royalty and other selling costs.

The Company has obtained all clearances including environmental clearance and clearance from Director General of Mines Safety, Government of India. Further, procedural clearances have been obtained from the State Government of Odisha. With respect to the State of Jharkhand, evacuation of dumped fines from Duarguiburu lease have started in FY 2023-24 for captive use. With respect sale, the delay is procedural and the management expects to receive the clearances in due course.

The management has been able to sell off such inventories in the State of Odisha. While, on an overall basis during the current and the previous years, there has been insignificant movement (2.10 million tonnes) in the volume of such inventories, there is significant market demand for sub-grade fines and the recent sales price trends are indicative of considerable margins over and above the carrying value of such inventories. The management also has plans to set up a beneficiation plant in future that will consume significant volume of sub-grade fines annually. Accordingly, in view of the management, there is no adjustment required in the carrying value of these inventories at this stage.

Considering the substantial volume of inventories, the quantity estimated to be sold / consumed within the next one year has been recognized as current and the balance has been classified as non-current inventory.

As at 31st March 2024, the Company is carrying sub-grade iron-ore fines inventory of 40.88 Mt (as at 31st March 2023: 41.55 Mt) valuing ₹3932.35 crore (as at 31st March 2023 valuing ₹3995.75 crore) which includes 38.73 Mt valued at ₹3749.00 crore classified as non-current inventory at its various mines.

Likewise, the Company

- at its Barsua and Dalli Mines is carrying inventory of tailings of 10.84 MT (as at 31st March 2023: 10.27 MT) valuing ₹513.57 crore (as at 31st March 2023 valuing ₹491.98 crore) which includes 9.34 Mt valued at ₹434.21 crore classified as non-current inventory.
- at its Bhilai and Rourkela Steel Plants is carrying inventory of extractable iron and steel scrap embedded in BF Slag and LD Slag of 0.46 MT (as at 31st March 2023 : 0.47 Mt) valuing ₹449.84 crore (as at 31st March 2023 valuing ₹460.35 crore) which includes 0.41Mt valued at ₹406.42 crore classified as non-current inventory.
- at its Chandrapur Ferro Alloys Plant is carrying inventory of Granulated high manganese ore (HMnO) slag and slag fines of 0.59 Mt (as at 31st March 2023: 0.52 MT) valuing ₹42.35 crore (as at 31st March 2023 valuing ₹41.56 crore) which includes 0.53 Mt valued at ₹35.66 crore classified as non-current inventory.

The Company is formulating a detailed plan for disposal / consumption of these inventories.

Considering the market volatility, steel market dynamics, possibility of future additions to steel and pellet making capacity in the country which may augment the demand of these materials, the carrying value of the non-current inventories need not be adjusted for any unforeseeable changes in the future prices. Accordingly, in view of the management, the carrying values of the aforementioned inventories are the best estimates basis the information available at this stage.

7. The Nine Judge Bench of the Hon'ble Supreme court, vide its order dated 11th November, 2016, upheld the Constitutional validity of the Entry tax legislations passed by the various States. However, the Bench directed that certain other matters raised by the Petitioner, such as matter

relating to Entry tax on account of discriminatory rates resulting in entry tax liability amounting to ₹ 1092.28 crore wherein a rate of 6% was applied on iron Ore and Coking Coal in Bhilai-Durg area as compared to lower rate of 1% on Coking Coal and 3% on Iron ore in rest of the areas of Chhattisgarh and matter relating to Entry tax amounting to ₹98.83 crore on goods entering into the local area of Jharkhand from other State etc. may be determined by regular benches hearing the matters. During the year, Chhattisgarh Government notified a settlement scheme (Chhattisgarh Settlement of Arrears of Tax, Interest and Penalty Act, 2023) for settlement of old cases of VAT, Entry Tax & CST etc. under which applications were filed assessment year-wise for settlement of Entry Tax dispute pertaining to rate discrimination. Out of nine applications filed, four applications settled by the Commercial Tax Department. The disputed amount for balance five applications are ₹ 762.91 Crore. The settlement amount for balance five applications as per scheme works out to ₹137.72 crore for which firm liability has been provided as on 31st March, 2024. Balance amount of ₹ 625.19 crore has been treated as contingent liability. As on 31st March, 2024, the matters are pending before Regular Benches of Hon'ble Supreme Court/Jurisdictional High Courts/assigned authorities/ Commercial Tax Department in this regard. Pending decision by the other Courts, disputed Entry Tax liabilities of ₹724.02 crore have been treated by the Company as Contingent Liability (As at 31st March, 2023 - ₹1184.81 crore).

8. Hon'ble Supreme Court dismissed the SLP by the Company in respect of dispute with Damodar Valley Corporation(DVC) related to provisional tariff petition of electricity charges for 2009-2014 vide order dated 18th January, 2017, keeping the question of law open. The Order of Central Electricity Regulatory Commission (CERC) dt.7/8/2013 related to Tariff of 2009-2014 against Petition No.275/GT/2012 has been challenged before Appellate Tribunal for Electricity (APTEL) (Appeal No.18 of 2014) in which the Company has also intervened and the order of APTEL is pending. Further, in respect of the civil appeal filed by Damodar Valley Corporation (DVC) pertaining to tariff of Financial Year 2004-05 to 2008-09 against the order of the Appellate Tribunal for Electricity (APTEL), the Hon'ble Supreme Court of India dismissed the appeal vide its Order dated 3rd December, 2018, which could also have an effect on future tariff orders in view of consideration of certain parameters for fixation of tariff. Accordingly, State Electricity Regulatory Commission (SERC) will finalise the retail tariff as directed by APTEL, the financial implication of which can only be ascertained after the Tariff fixation by SERC. For the State of Jharkhand where the dispute of ₹587.72 crore arises, DVC has filed its Retail Tariff Application in November, 2020 along with application for Annual Revenue Requirement before the Jharkhand State Electricity Regulatory Commission (JSERC) for the period of 2006-07 to 2011-12 and also seeking adjustment of Revenue Gap/Surplus in the period of 2012-13 to 2014-15. The Company has also filed their objections on 28th December, 2020 to the aforesaid Application of DVC. JSERC finalised the Category-wise Retail Supply Tariff of DVC for the period from FY 2006-07 to FY 2011-12 vide order dated 31st October, 2023. However, DVC has preferred an appeal before Hon'ble APTEL against the order of the JSERC regarding the consideration of non-tariff income in totality in the tariff order. APTEL vide it's order dated 5th February, 2024 allowed the appeal of DVC with request to the commission to pass an order afresh at the earliest. Pending fixation of such Electricity Tariffs, disputed demands of DVC of ₹ 587.72 crore upto 31st March 2024, (upto 31st March, 2023, ₹ 587.72 crore) has been treated as Contingent Liability. Against the said claims, the entire amount has been paid to DVC and retained as advance. Further from 1st April, 2017 onwards full invoice value is being paid and charged to revenue.

9. Other income includes profit on sale of obsolete Plant and Machinery (SMS-1) at one of the plant location amounting to ₹278.82 crore in the quarter ended 30th June, 2023.

10. Exceptional Items includes :

(II) For the year ended 31st March, 2023:

(i) Profit on sale of fixed assets amounting to ₹301.34 crore on account of sale of a portion of land to Dedicated Freight Corridor Corporation of India Limited (DFCCIL).

(ii) An amount of ₹38.91 crore towards settlement of a long pending demand of electricity duty on Transmission & Transformation loss under One Time Settlement Scheme and an amount of ₹4.44 crore towards a dispute arising out of a contract finalized during 2000-01.

11. The Company declared interim dividend @ 10% of the paid-up equity share capital (i.e. ₹1.00 per equity share of ₹10/- each) during the Financial Year 2023-24. The Board of Directors has recommended final dividend @ ₹1/- per equity share of ₹10 each i.e. 10 % on the paid up share capital of the Company for the Financial Year 2023-24, subject to approval of shareholders in the ensuing Annual General Meeting of the Company.

12. Ministry of Steel, Government of India, vide its letters dated 19th January 2024 in exercise of the powers conferred by sub-rule (1) of Rule 20 of the Conduct, Discipline and Appeal Rules, 1977 of the Company has placed certain employees and two directors of the Company on suspension with immediate effect, on the basis of a preliminary enquiry done by the Central Vigilance Officer on allegations received with respect to certain policy/pricing decisions of the Company. While the matter is currently under investigation by external investigative agencies as per directions of the Lokpal of India vide its order dated 10th January 2024, in view of the management, on the basis of their internal assessment, the matter is not likely to have a material impact on the operations of the Company and/or these financial results.

13. The Auditors, in their Audit Report on the Standalone Financial Statements for the Year ended 31st March, 2023, have brought out that

(i) As referred in note 47.2 (a)(i) to the accompanying standalone financial statements, the constitutional validity of the Entry Tax Act has been upheld by the Hon'ble Supreme Court and the matters relating to levy of entry tax are now pending before regular benches of the Supreme Court / Jurisdictional High Courts / assigned authorities. Pending decision by the other Courts, the management is of the view that no adjustment is required in the accompanying standalone financial statements of the Company for the disputed entry tax demand in various states amounting to ₹1184.81 crore as on 31 March 2023. However, in the absence of sufficient appropriate evidence to support the management's view, we are of the opinion that a provision for entry tax liability should be recognised in the standalone financial statements.

(ii) As referred in note 47.2 (b) to the accompanying standalone financial statements, current assets include advance of ₹ 587.72 crore paid under dispute to Damodar Valley Corporation

against the bills raised for supply of power for period upto 31st March 2017. The matter is under litigation with Jharkhand State Electricity Regulatory Commission for finalisation of tariff, pending which, the management is of the view that the amount is fully recoverable and thus no adjustment is required in the accompanying standalone financial statements. However, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are of the opinion that an allowance for possible non-recoverability of such advance should be created in the standalone financial statements.

In respect of items (i) and (ii), the Company's position has been clarified in notes 7 and 8 above.

14. The figures for the previous periods have been re-grouped, wherever necessary, so as to conform to the current periods classification. The impact of any re-grouping/reclassification on the financial statements is immaterial.

- (b) The inventory of sub-grade iron ore fines generated at the captive mines of the Company were not assigned any value in the books of accounts of the Company till the financial year ended 31st March 2019, since, the Government of India Notification dated 19th September 2012 prohibited all captive miners from selling such sub-grade fines.

Following the Government of India Order no.F.No.16/30/2019-M.VI dated 16th September 2019 allowing sale of sub-grade iron ore fines, the inventories of sub-grade fines held by the Company gained economic value. In this regard, the Company also obtained opinions from the Additional Solicitor General of India as well as the Expert Advisory Committee (EAC) of Institute of Chartered Accountants of India (ICAI). Based on the aforesaid opinions, the Company recognized these inventories as by-product inventory as at 31st March 2020. Since, these inventories were generated over many years, hence, making it impracticable to ascertain the actual valuation, the Company assigned a valuation to such inventories basis average selling price of similar sub-grade fines over the last 36 months as declared by Indian Bureau of Mines (IBM), a Government of India organisation and as adjusted for royalty and other selling costs.

The Company has obtained all clearances including environmental clearance and clearance from Director General of Mines Safety, Government of India. Further, procedural clearances have been obtained from the State Government of Odisha. With respect to the State of Jharkhand, evacuation of dumped fines from Duarguiburu lease has started in FY 2023-24 for captive use. With respect sale, the delay is procedural and the management expects to receive the clearances in due course.

The management has been able to sell off such inventories in the State of Odisha. While, on an overall basis during the current and the previous years, there has been insignificant movement (2.10 million tonnes) in the volume of such inventories, there is significant market demand for sub-grade fines and the recent sales price trends are indicative of considerable margins over and above the carrying value of such inventories. The management also has plans to set up a beneficiation plant in future that will consume significant volume of sub-grade fines annually. Accordingly, in view of the management, there is no adjustment required in the carrying value of these inventories at this stage.

Considering the substantial volume of inventories, the quantity estimated to be sold / consumed within the next one year has been recognized as current and the balance has been classified as non-current inventory.

As at 31st March 2024, the Company is carrying sub-grade iron-ore fines inventory of 40.88 Mt (as at 31st March 2023: 41.55 Mt) valuing ₹3932.35 crore (as at 31st March 2023 valuing ₹3995.75 crore) which includes 38.73 Mt valued at ₹3749.00 crore classified as non-current inventory at its various mines.

Likewise, the Company

- at its Barsua and Dalli Mines is carrying inventory of tailings of 10.84 MT (as at 31st March 2023: 10.27 MT) valuing ₹513.57 crore (as at 31st March 2023 valuing ₹491.98 crore) which includes 9.34 Mt valued at ₹434.21 crore classified as non-current inventory.
- at its Bhilai and Rourkela Steel Plants is carrying inventory of extractable iron and steel scrap embedded in BF Slag and LD Slag of 0.46 MT (as at 31st March 2023 : 0.47 Mt) valuing ₹ 449.84 crore (as at 31st March 2023 valuing ₹460.35 crore) which includes 0.41Mt valued at ₹406.42 crore classified as non-current inventory.
- at its Chandrapur Ferro Alloys Plant is carrying inventory of Granulated high manganese ore (HMnO) slag and slag fines of 0.59 Mt (as at 31st March 2023: 0.52 MT) valuing ₹42.35

crore (as at 31st March 2023 valuing ₹41.56 crore) which includes 0.53 Mt valued at ₹35.66 crore classified as non-current inventory.

The Company is formulating a detailed plan for disposal / consumption of these inventories.

Considering the market volatility, steel market dynamics, possibility of future additions to steel and pellet making capacity in the country which may augment the demand of these materials, the carrying value of the non-current inventories need not be adjusted for any unforeseeable changes in the future prices. Accordingly, in view of the management, the carrying values of the aforementioned inventories are the best estimates basis the information available at this stage.

- (c) The Nine Judge Bench of the Hon'ble Supreme court, vide its order dated 11th November, 2016, upheld the Constitutional validity of the Entry tax legislations passed by the various States. However, the Bench directed that certain other matters raised by the Petitioner, such as matter relating to Entry tax on account of discriminatory rates resulting in entry tax liability amounting to ₹ 1092.28 crore wherein a rate of 6% was applied on iron Ore and Coking Coal in Bhilai-Durg area as compared to lower rate of 1% on Coking Coal and 3% on Iron ore in rest of the areas of Chhattisgarh and matter relating to Entry tax amounting to ₹98.83 crore on goods entering into the local area of Jharkhand from other State etc. may be determined by regular benches hearing the matters. During the year, Chhattisgarh Government notified a settlement scheme (Chhattisgarh Settlement of Arrears of Tax, Interest and Penalty Act , 2023) for settlement of old cases of VAT, Entry Tax & CST etc. under which applications were filed assessment year-wise for settlement of Entry Tax dispute pertaining to rate discrimination. Out of nine applications filed, four applications settled by the Commercial Tax Department. The disputed amount for balance five applications are Rs. 762.91 Crore. The settlement amount for balance five applications as per scheme works out to ₹137.72 crore for which firm liability has been provided as on 31st March, 2024. Balance amount of Rs. 625.19 crore has been treated as contingent liability. As on 31st March, 2024, the matters are pending before Regular Benches of Hon'ble Supreme Court/Jurisdictional High Courts/assigned authorities/ Commercial Tax Department in this regard. Pending decision by the other Courts, disputed Entry Tax liabilities of ₹724.02 crore have been treated by the Company as Contingent Liability (As at 31st March, 2023 - ₹1184.81 crore).
- (d) Hon'ble Supreme Court dismissed the SLP by the Company in respect of dispute with Damodar Valley Corporation(DVC) related to provisional tariff petition of electricity charges for 2009-2014 vide order dated 18th January, 2017, keeping the question of law open. The Order of Central Electricity Regulatory Commission (CERC) dt.7/8/2013 related to Tariff of 2009-2014 against Petition No.275/GT/2012 has been challenged before Appellate Tribunal for Electricity (APTEL) (Appeal No.18 of 2014) in which the Company has also intervened and the order of APTEL is pending. Further, in respect of the civil appeal filed by Damodar Valley Corporation (DVC) pertaining to tariff of Financial Year 2004-05 to 2008-09 against the order of the Appellate Tribunal for Electricity (APTEL), the Hon'ble Supreme Court of India dismissed the appeal vide its Order dated 3rd December, 2018, which could also have an effect on future tariff orders in view of consideration of certain parameters for fixation of tariff. Accordingly, State Electricity Regulatory Commission (SERC) will finalise the retail tariff as directed by APTEL, the financial implication of which can only be ascertained after the Tariff fixation by SERC. For the State of Jharkhand where the dispute of ₹587.72 crore arises, DVC has filed its Retail Tariff Application in November, 2020 along with application for Annual Revenue Requirement before the Jharkhand State Electricity Regulatory Commission (JSERC) for the period of 2006-07 to 2011-12 and also seeking adjustment of Revenue Gap/Surplus in the period of 2012-13 to 2014-15. The Company has also filed their objections on 28th

December, 2020 to the aforesaid Application of DVC. JSERC finalised the Category-wise Retail Supply Tariff of DVC for the period from FY 2006-07 to FY 2011-12 vide order dated 31st October, 2023. However, DVC has preferred an appeal before Hon'ble APTEL against the order of the JSERC regarding the consideration of non-tariff income in totality in the tariff order. APTEL vide it's order dated 5th February, 2024 allowed the appeal of DVC with request to the commission to pass an order afresh at the earliest. Pending fixation of such Electricity Tariffs, disputed demands of DVC of ₹ 587.72 crore upto 31st March 2024, (upto 31st March, 2023, ₹ 587.72 crore) has been treated as Contingent Liability. Against the said claims, the entire amount has been paid to DVC and retained as advance. Further from 1st April, 2017 onwards full invoice value is being paid and charged to revenue.

- (g) The Company declared interim dividend @ 10% of the paid-up equity share capital (i.e. ₹1.00 per equity share of ₹10/- each) during the Financial Year 2023-24. The Board of Directors has recommended final dividend @ ₹1/- per equity share of ₹10 each i.e. 10% on the paid up share capital of the Company for the Financial Year 2023-24, subject to approval of shareholders in the ensuing Annual General Meeting of the Company.
- (h) Ministry of Steel, Government of India, vide its letters dated 19th January 2024 in exercise of the powers conferred by sub-rule (1) of Rule 20 of the Conduct, Discipline and Appeal Rules, 1977 of the Company has placed certain employees and two directors of the Company on suspension with immediate effect, on the basis of a preliminary enquiry done by the Central Vigilance Officer on allegations received with respect to certain policy/pricing decisions of the Company. While the matter is currently under investigation by external investigative agencies as per directions of the Lokpal of India vide its order dated 10th January 2024, in view of the management, on the basis of their internal assessment, the matter is not likely to have a material impact on the operations of the Company and/or these financial results.

(i) The Auditors, in their Audit Report on the Consolidated Financial Statements for the Year ended 31st March, 2023, have brought out that:

- (i) As referred in note 47.2 (a)(i) to the accompanying consolidated financial statements, the constitutional validity of the Entry Tax Act has been upheld by the Hon'ble Supreme Court and the matters relating to levy of entry tax are now pending before regular benches of the Supreme Court / Jurisdictional High Courts / assigned authorities. Pending decision by the other Courts, the management is of the view that no adjustment is required in the accompanying consolidated financial statements of the Company for the disputed entry tax demand in various states amounting to ₹1184.81 crore as on 31st March 2023. However, in the absence of sufficient appropriate evidence to support the management's view, we are of the opinion that a provision for entry tax liability should be recognised in the consolidated financial statements.
- (ii) As referred in note 47.2 (b) to the accompanying consolidated financial statements, current assets include advance of ₹587.72 crore paid under dispute to Damodar Valley Corporation against the bills raised for supply of power for period upto 31st March 2017. The matter is under litigation with Jharkhand State Electricity Regulatory Commission for finalisation of tariff, pending which, the management is of the view that the amount is fully recoverable and thus no adjustment is required in the accompanying consolidated financial statements. However, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are of the opinion that an allowance for possible non-recoverability of such advance should be created in the consolidated financial statements.

In respect of items (i) and (ii), the Company's position has been clarified in notes 5(c) and 5(d) above.

6. The figures for the previous periods have been re-grouped, wherever necessary, so as to conform to the current periods classification. The impact of any re-grouping/reclassification on the financial statements is immaterial.
